Capacity

Email

- Email Address.

- After filling in all the details press ‘Add registration button’ to register for an event.

Note: please ensure all fields are filled

[Add Registration](#)

out correctly to proceed.

3. Event Registrations

Table

The table displays all registered events:

Event Registrations						
Cost per capacity occupied: 15 Euros						
Event Name	Event Date	Organizer	Capacity	Cost (Euros)	Email	Actions
Birthday Party	2024-07-04	Kashif	60	900	kashifriyaz03@gmail.com	<div>Delete</div>

- View event details such as Event Name, Event Date, Organizer, Capacity, Cost, and Email.
- Use the Delete button to remove registrations as needed.

- Click the Print button to print the table for reference.

4. Statistics Section

The Statistics section provides insights into registered events:

- Total Events: Number of events currently registered.
- Average Cost: Average cost per event based on capacity.
